Blue Goes Green

Sustainability in The Blue Room Bar

In 2019, The Blue Room Theatre became the first arts venue in WA to achieve carbon neutral status.

In the April 2021 renovation of our bar, we prioritised upcycling pre-used timbers and materials, and sold or gave away as much of the previous bar items as possible. Some of the upcycled material in the bar includes old fireplaces, stair bannisters, shelving, bedside tables and all the furniture.

We are also ensuring that our bar operates with minimal waste. Our coffee, tea and food-scrap are composted, and we are now recycling all eligible cans and bottles through the State Government's Containers for Change scheme.

We are also set up as a registered charity on the scheme, so if you would like to donate your 10c / container refund to The Blue Room Theatre, please use our charity ID C10448999 to do so. For more information on the recycling and refund scheme, visit www.containersforchange.com.au/wa.
